10

Lack of space for many people is a constraint, for us is an opportunity. 10, a harmonious balance between straight lines and rounded shapes.

DESIGN BY NUNZIA PONSILLO

WINNER

SUSPENSION

IO is a suspended open storage system designed to furnish any type of bathroom. There are two possible modules available, single and double, both fastened to the ceiling and suspended over the washbasin.

DESIGN

ESSENTIAL

FLEXIBLE

A smart and functional bathroom furnishing solution, completely customisable, suitable for homes and the hospitality industry.

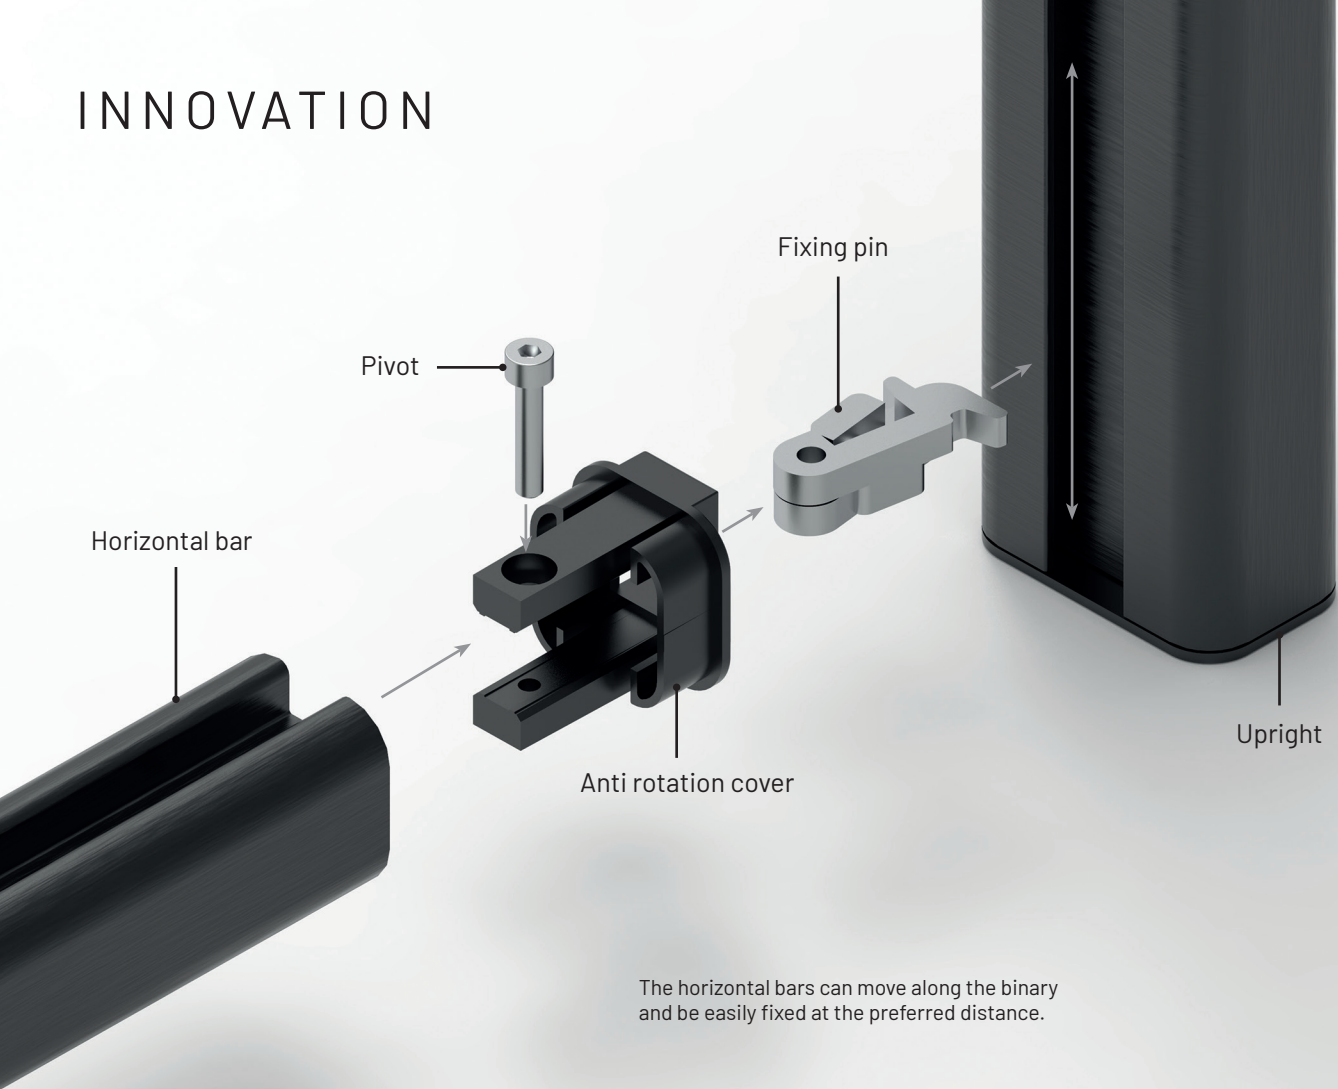

LIGHTING

IO structure is essential and elegant, enhanced by the LED lighting that outlines its contours. The vertical profiles have a back groove to hold the LED strip and two side binaries for the horizontal profiles.

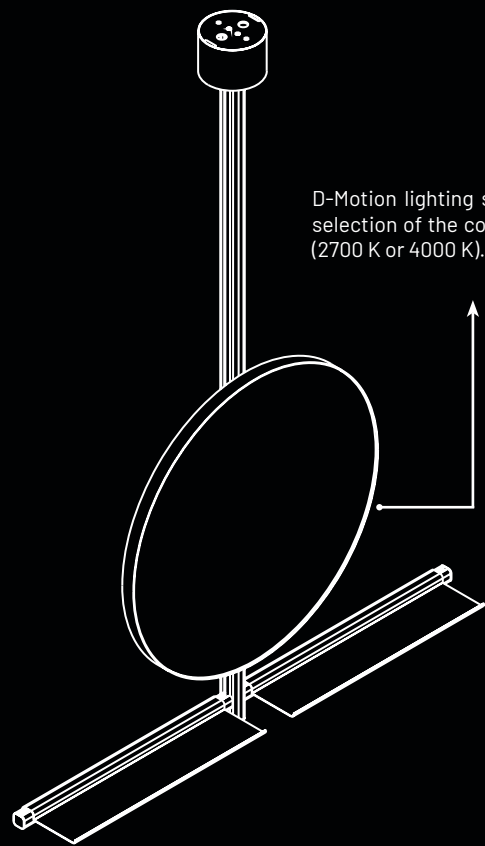

INNOVATION

A new and advanced hooking system

TECHNICAL SPECIFICATIONS

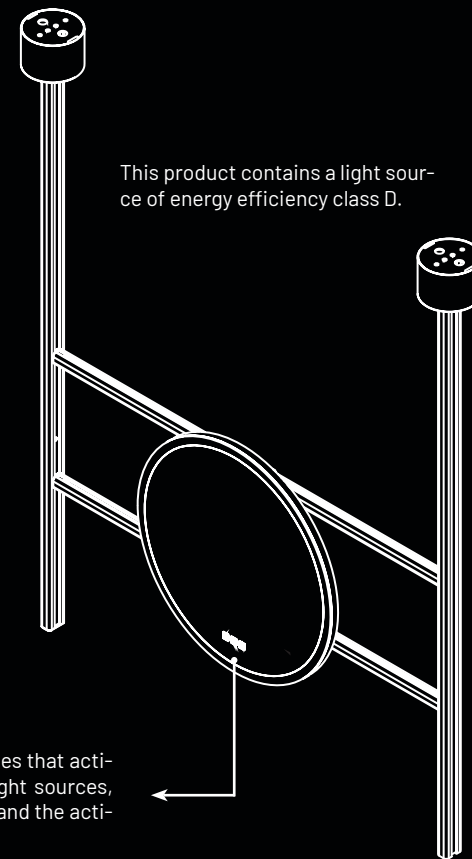

D-Motion lighting system with the selection of the color temperature (2700 K or 4000 K).

IP44 protection rating against water splashes.

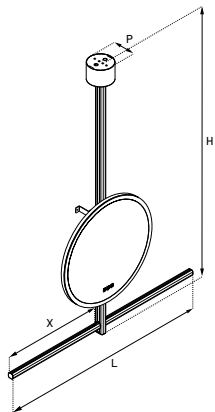

Control system with three touch switches that activate the switching on and off of the light sources, the selection of the color temperature and the activation of the anti-fog system.

This product contains a light source of energy efficiency class D.
